
Dusk Markets - Get out, Get Seen!

Hey Girls and Guys!

Summer is fast approaching, the weather is warming up, and the people are coming in the hundreds!
One of the best ways to let people know about your business is to get out there!

Since the weather is so beautiful what would be better than a Dusk Market - a chance to let the tourists see what you have to offer and to have a wander around yourself! With local businesses flaunting their food, drinks, clothes, art and much more..

I think if we can get enough people interested, the young people would love it! Anyone who is keen both business and people I'd love to hear from you - tell me what you think!

After all who isn't keen for a fun night out :)

Sounds like a great idea, good opportunity for businesses, might actually know a few people interested in setting up a stall so keep us updated and let us know if this goes ahead.

Either way, would be a good bit of fun, get some friends down for some food and a few drinks, check everything out and head out afterwards.

Maybe have a band playing or something?

Yes Nicole, the Dusk Markets or even day markets with a Fashion parade. I am in discussing with the Swiss Grand at the moment, and trying to arrange a weekly fashion parade.

Imagine sipping a caprinha drink, watching the sun set, and enjoying the music at the Swiss Grand.
